Twenty-five boys and girls were enrolled in our class at the beginning of this year. Mary Sinon left and went to Florida. Then three more joined our class, Gaylord Nichols, Barbara White, and Robert Chiles. The boys have been very busy in Industrial Arts. The girls had a few weeks of Industrial Arts this spring. The class has had a few parties this year.

This is the first year that our Junior High has had football. They got some very nice uniforms. Both girls and boys played basketball. Some of the Farrar girls played with us. We had our last game and finished our season the first week in February. Even though there were quite a few losses, it was a lot of fun for everyone.

STUDENT COUNCIL

The Bondurant-Farrar Student Council started off the year by sponsoring the annual Homecoming, which was a big success. The four officers represented us at the state S. C. Convention held at Ames. Dances were held on the Friday nights after home games for the benefit of the students. The Student Council provided the entertainment for the High School Christmas Party. During the girls glorious trip to the State Tournament, the Student Council presented four thirty-minute pep meetings and presented flowers and telegrams to the girls. Eight delegates attended the district convention at which Judy Janes was nominated to the state cabinet. The affairs of the Student Council were financed by the sale of candy at noon.

IT MAKES SMALL DIFFERENCE

WHAT MY *Talent* IS . . .

Perhaps I sing . . . or paint . . . or write . . .
Or free from stone an image I alone
Perceived before.

Or then, perhaps,
Mine is another gift . . .
The gift to teach . . . to build . . . or to extract
From earth and air and sun and sea
New knowledge, power, or wealth.

But, as I say,
It makes small difference
What my talent is . . . however grand
Or humble its estate.

Let me but have, as well,
Its rare companion gift
Of wisdom.

Let me be but wise enough
To nurture talent with my toil,
And moisten it with sweat . . . to swell
Its growth with diligence,
And wear its bloom with grace.

Then only will my song
Stir echo in Man's heart, and my painting
Find reflection in his eyes . . .
Then only will my written word find permanence,
And my sculpture honored place.

Finally . . .
Let me be but wise enough
To know my talent's Source,
And let me then—in gratitude—
Give all to it . . .
But more important still—however grand
Or humble its estate—
Give it to All!
